

Job title: Youth Worker 10 hours per week

St Matthew's is an open evangelical Church of England parish church located in Surbiton. We are part of the Tolworth Hook & Surbiton Team Ministry (THIS Team) along with St George's Tolworth and St Paul's Hook.

We take our Seven Whole Days Vision seriously seeking to be not just 'Sunday Christians' but living out our faith every day of the week and supporting each other to do that. Like many other churches our work with children and young people has suffered during and following Covid but we are optimistic about the future and already taking steps to raise the profile of the children and young people in our church. We have recently set up teams which our children can join to take more of an active part in the church – we have children welcomers and they also help with reading the Bible, bell ringing, flower arranging and with Holy Communion which we have once a month at our second service. Each Sunday the children start off in church but leave to go to their groups after our ever popular Action Song. They return to the service at the end to feedback to the congregation what they have been doing so we all feel that we are learning together. All children over the age of 7 are invited to take part in classes to prepare them for receiving Holy Communion.

We have a committed team of volunteers who help with and lead groups on Sunday mornings (during our 10.45 service) but we are also keen to have more to offer (social events etc), especially to our young people.

Take a look at our website to see more www.stmatthewskt6.org and find our services on our YouTube Channel 'St Matthew's Church Surbiton'.

We have a particularly committed group of children in school years 5 and 6 and we want to prioritise keeping them (along with our existing young people) through their teenage years and beyond. We are mindful of the importance of children and young people coming to faith while they are young and also of them being the church of the present (not in waiting).

Current Profile of Children and young people's groups

	Ages	Provision	On roll	Regular attendance
Crèche	0 - 3	Unattended crèche	8	4
Scramblers	3 - 7	Currently we have combined our Scramblers and Climbers groups	5	3
Explorers	7 - 11		12	5 - 9
Pathfinders	11 - 15		7	4
Fuel	10 - 15	Monthly group across THIS Team – meets Sunday afternoon	19	8-10

At present we think it is realistic to focus on the young people and children who already have a point of contact with us. This may be through attending on Sunday mornings, or through the 'Fuel' youth group or by attending St Matthew's Primary School. In the future it would be amazing to think that our youth activities may take on a wider external focus. Otherwise, this is a new role which it would be up to you to shape and develop.
